

ICL MEMBERSHIP APPLICATION

The Institute will accept applications for membership during two periods only each year: between January 1st and 10th, and between July 1st and July 10th. This ties in with the Assessment days which will follow shortly after each application period.

To apply to become an ICL Member you will need to download, print and complete this application form. Read the notes on the website carefully, especially to decide which category of membership to apply for – Member or Certified Member. References must be either supplier or employer trade references, or a commercial customer's references.

Together with the completed application form you will need:

- a copy of your basic disclosure certificate (i.e. a police check)
- a copy of your liability insurance certificate
- two passport photos
- the appropriate fee – £60 for a new Member, £90 for a new Certified Member, or £25 if applying to convert from Member to Certified membership application; check the website to see what these fees include.

All these will need **posting to:**

Carol Pink
ICL Admin
36 The Glade
Clifton
NOTTINGHAM NG11 9EA

Once your completed application has been received, checked and accepted, you will receive an email confirming your Assessment date for entry to the ICL.

On completion of the Assessment you will be notified of the result, and if successful you will receive a welcome letter and all your membership details within seven days. This will include your personal login details for the members-only area of the main ICL website (this is *not* the same as the forum login details).

You will also be able to register for the ICL forum at theinstituteofcertifiedlocksmiths.org/forum using your full true name (e.g. John Smith), and fill in your profile fully.

All Members receive discounts from various suppliers including ICL, SKS, Aldridge, Greenfox, SafeVentures etc.

Certified Members only are entitled to a listing in the find-a-locksmith area of the website and to use the ICL logo to promote their business. They also receive a personalised ICL ID card.
